Betsy Bumps and Jeff Haubrich both agreed with the yard sale amendment.

Chair Joe Profera read the warning for application 14-096 by FEB Realty LLC, PIN #NDRT5029G3T2, for site plan to expand their existing parking. This property is located at 105 Community Drive and is in the Commercial (COM) zoning district. Mr. Pecue and Mr. Fradette were present to explain the request. The 6 new parking spaces to the south of the existing parking lot are for addition customer parking and the applicant is not sure if it is needed. If it is built it will be concrete like the existing parking. These spaces are not required to meet the bylaw and the commission will leave it up to the applicant whether or not they are built. The 16 new parking spaces north of the entrance will be used for employees and will be gravel with stay mat. No new lighting is proposed. The applicant feels existing lighting on their lot and the auto sales lot across the street will provide adequate lighting. The commission noted that there is not much landscaping on the lot and that additional landscaping will be required. There were no comments from the public. The bylaws were discussed. Emily Wheeler and Richard Dubois requested that the Commission amend the bylaw to become stricter on extended stays in motels. Of particular concern is the Border Motel. They feel it is bad for the village and is hurting property values. They suggested we look into Barre's bylaw. Barre is currently in court trying to prevent a motel from operating similar to the way the Border Motel is being operated. Bob was asked to check on the language in Barre's bylaw.

Moe Caswell, representing Sticks & Stuff, asked about amending the bylaw to allow off-site directory signs so that Sticks & Stuff could have a small sign at the intersection of Quarry Road and Route 5. The Commission thought this was a good idea and will have Bob check to see what other towns have in their bylaw to allow this type of use. Bob suggested that they might want to revise other sections of the bylaw dealing with signs to become more business friendly.

Bob relayed that Beula would like them to amend the bylaw to only allow 3-4 yard sales per year along Main Street.

Dog breeding was discussed and as long as the breeder is not kenneling other people's dogs the commission did not see an issue with people doing it within the town.
