CASE # 1 PARCEL ID # MSTD019A6-L 138 MAIN ST DERBY LINE FIRST UNIVERSALIST PARISH OF DERBY LINE
Karen Jenne stated that each meeting will be recorded. Allen states that these are 2 separate properties.
Listers – Nancy Moore
Nancy stated the parcel ID number, the location of the property, then gave a description of the property and reviewed the Listers card with the Board. The property is located at 138 Main Street in Derby Line Parcel ID # MSTDL019A6-L. The Property is assessed at $101,400 in the 2023 Grand List. This parcel is a sister property to the 112 Main Street Derby Line property. The Listers have NOT been notified that the parcel is no longer a Parsonage home but is used as a rental property. Our information will qualify for the property to be taxed.

1. Deed in Book 73 Pages 173-175 -states that the (UUA) is a trustee for “The Vermont and Quebec Universalist Convention.”
2. Land Record – 1906
3. Land Record – 2019
6. PVR-217
7. Court Hearing
8. Map
9. Property MSTDL021A6-LTXM – 250 Main Street Derby Line – St. Edwards Property SMSDC036G5-CTXM – 227 Main Street Derby – Derby Community Church
10. Letter from District Advisor – Deanna Robitaille

Karen Jenne asked if this parcel was divided out from the main parcel and taxed for the year 2023.

Nancy Moore states that it has been split since the parsonage house is now used as a rental property. Property was tax exempt until this year and now it is being taxed. The Listers were never told it was rented out until this year found out it was. The Church is tax exempt, and the house is not exempt.

Appellants – Allen Yale & Adrienne Helm
Allen states they are not appealing the assessment of the property, they are appealing the ownership of the property they are not the owners of the rental house it is owned separately – Unitarian Universalist Association in Boston. Brian asked how long they owned the property. Allen said since 1931 the description in the deed for the land measurements were never completed, the attorney left out the dimensions for a pin, so it looks like the land is split diagonally through the building. When this went to Court the Court decreed the land to part of church and part of cemetery. There are 2 different deeds. Bk 73- pages 173-175 and Bk 73- pages 148-151. Mike asked Allen if he was the trustee of the parish? Allen said he was the treasurer and that he collected the rent and paid the water & sewer bills. Allen said that the parish received a large donation from Renihan’s family trust and 1\2 of the money was put into restoring the house and church. Doug Spates said to Allen it looks like you set yourself in a situation by signing the writ of position, collecting the rent, agreeing to tenant, signing ownership on the PVR317 form.
Karen Jenne – the question is who gets the tax bill for the property, Karen thinks both should get one. Nancy Moore read the statues for exempt properties and what qualifies to be exempt or does not qualify. Rental properties do not qualify.

Karen Jenne – said we need to wrap this up and that she needs 3 volunteers to inspect the property, do a report on the findings and return it to the Board.

Inspection Committee
Doug Spates, Karen Chitambar and Aimee Alexander volunteered to the inspection. The inspection date is Thursday the 27th of July at 8:30 and the meeting will be on August 21st at 5:00 p.m.

Karen recessed the meeting at 6:20 p.m.
